COUNT & COLOR, BAUHAUS STYLE

Bauhaus was the first school of design and it started in Germany in 1919. The artists of Bauhaus used bold colors and shapes in ways the world had never seen before. Follow the steps below to count and color like a true Bauhaus innovator.

Count the squares. How many are there? _____   Color all the squares red.

Count the triangles. How many are there? _____   Color all the triangles yellow.

Count the circles. How many are there? _____   Color all the circles blue.
