

# DRAW THE MONKEY

If you can make a circle, you can draw a monkey. Try it!

## STEP 1

Draw an oval for the body with a small oval on top for the head.

## STEP 2

Sketch some curved lines for the arms, legs, and feet.

## STEP 3

Now draw the face by adding eyes, nose, and mouth.

## STEP 4

Add a tail and some ears, and your monkey is all done!
