

Certificate of Conformity

Consumer Product Safety Improvement Act of 2008

Section 14(g) of the Consumer Product Safety Act, 15 U.S.C. § 2063(g) requires, importers and domestic manufacturers to certify that all products manufactured on or after November 12, 2008, are compliant with all applicable standards, rules, and bans enforced by the CPSC.

Compliance shall be evidence by a declaration or certificate of conformity. This certificate is not required to be signed. This certification MUST be provided in English and based on a test of each product or a reasonable testing program.

This certificate must accompany EACH shipment (including the TOP shipment) of product subject to an applicable rule or standard enforced by the CPSC. It must be available for review at the point of inspection of imported goods or if produced domestically be available before the product is distributed for sale. The certificate must be furnished to Garnet Hill and to the CPSC on request.

Item 1: Identification of the product covered by this certificate.

Product Description: Gola Quiff Trainer
 Gola Item # CKA501
 Vendor Item #
 Purchase Order # N/A

Item 2: Citation to each CPSC product safety regulation to which this product is being certified.

MARK AN "X" IN THE APPROPRIATE BOX and include the SPECIFIC section(s) of the acts where compliance is being declared and note any claimed exemptions to the acts.

Laboratory Phone #	84-8-37421604-6

Certificate of Conformity

Consumer Product Safety Improvement Act of 2008

General Instructions for completing the Certificate of Conformity

Item 1: Describe the product covered by this certification in enough detail to match the certificate to each product it covers and no others.

Item 2: The certificate must identify separately each applicable rule, ban, standard or regulation under the Acts administered by the Commission that is applicable to the product. The section reference should be identified in the text field, as well as any "exemptions" to the regulation being claimed.

Item 3: Provide the name, full mailing address, and telephone number of the domestic manufacturer or US importer of the product.

Item 4: Provide the name, full mailing address, e-mail address and telephone number of the person maintaining test records in support of the certification.

Item 5: Provide the date(s) when the product was manufactured by at least month and year. For the place of manufacture, if different from the manufacturer's address in item 3, provide at least the city and country or administrative region, of the place where the product was finally manufactured or assembled. If the same manufacturer operates more than one location in the same city, provide the street address of the factory.

Item 6: Provide the date(s) of the tests or test report(s) on which certification is being based and the location(s) of the testing.

Item 7: If a third-party laboratory tested the product or conducted a testing program on which the certification is based, provide the name, full mailing address and telephone number of the laboratory.
